CONGRATULATING LSU ON WINNING NATIONAL CHAMPIONSHIP

(Mr. RICHMOND asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RICHMOND. Mr. Speaker, I rise today to congratulate a group of young men who had an excellent undefeated season at LSU and won the national championship.

I also rise to congratulate Coach Orgeron for his leadership in shaping not only those young men on the field, but off the field also.

I also take great pride, Mr. Speaker, in recognizing one outstanding individual on that team, his name is Grant Delpit.

Grant Delpit was my first batboy at the congressional baseball game. Last year he was the unanimous All-American, and this year he caused a fumble in the national championship game. But more importantly, his parents, a lawyer, law enforcement, and his grandmother serves on the board of a charter school in my district. They are an exceptional family.

Mr. Speaker, we have a commitment that when we see our young people doing well that we recognize them and congratulate them. So, to all of the outstanding young men at LSU for winning the national championship, and to Grant Delpit for excelling in the classroom, off and on the field, I just want to say congratulations, we recognize you. And good luck in whatever you do in your future.

CONGRATULATING THE WESTLAKE CHAPARRALS ON THEIR STATE CHAMPIONSHIP TITLE

(Mr. WILLIAMS asked and was given permission to address the House for 1 minute.)

Mr. WILLIAMS. Mr. Speaker, I rise today to recognize and congratulate the 2019 Westlake High School Chaparrals football team on winning their second State championship title.

For Texans, high school football isn't just a sport, it is a way of life. Each week in the fall we gather under Friday night lights and cheer our team on to victory. The young men, women, and coaches on our team spend countless hours running drills, watching film, and getting ready for their moment in history.

During the 2019 season, Westlake's dedication paid off as they posted a 24-0 shutout over Denton Guyer at AT&T Stadium for their second State title.

Mr. Speaker, on behalf of the 25th Congressional District in Texas, I congratulate the Chaps on their victory and wish them the very best in their bright futures.

In God we trust.

TIME TO HELP OUR FELLOW AMERICANS IN PUERTO RICO

(Mr. SOTO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SOTO. Mr. Speaker, it was over 2 years ago that Hurricane Maria hit the island of Puerto Rico, and our fellow Americans sustained one of the worst natural disasters, with the highest death toll in modern history. Now we have, again, earthquakes hitting the island since December 28 to this date.

I got to go this week and saw firsthand schools crumbling. I saw folks sitting out in tents who need emergency housing and mental health services. Yet we still have less than half the money that we allocated for Hurricane Maria actually down on the island.

It is time for the Trump administration to bring that money down.

In addition, it is time to declare a major disaster declaration. We cannot let this tragedy happen again. America is watching. History is watching. It is time to help our fellow Americans in Puerto Rico.

RECOGNIZING TALENTED ALL-AMERICAN GAMES WOMEN BASKETBALL PLAYERS

(Mr. WALTZ asked and was given permission to address the House for 1 minute.)

Mr. WALTZ. Mr. Speaker, today I want to recognize three talented high school basketball players in my district, Khadija Faye, Tiera White, and Brianna Ellis.

Khadija and Tiera play basketball at Father Lopez High School in Daytona Beach, and Brianna plays basketball at Flagler Palm Coast High School in Palm Coast, Florida. All three of these young women have just been nominated to play in the 2020 All-American Games, a national basketball competition benefiting the Ronald McDonald charities. They were among 46 seniors from Florida to be selected for this honor.

Mr. Speaker, it is an honor to recognize their hard work and talent on the House floor today. The final roster will be announced next week, and we are all hoping all three will be on it.

I know I speak on behalf of all of us when I say we are so proud and so excited to see Daytona and Palm Coast represented so well in women's basketball.

RELIEF FOR DEFAUDED STUDENTS

(Mr. ENGEL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ENGEL. Mr. Speaker, I rise today to celebrate the passage of H.J. Res. 76, a resolution to overturn Secretary DeVos' shameful borrower defense rule.

Secretary DeVos claims her rule is to help students and to protect taxpayers, but this rule does the complete opposite.

Instead of working on behalf of students that have been defrauded by predatory for-profit colleges, Secretary DeVos seeks to protect those bad actors who leave students with crushing debt and worthless degrees.

Secretary DeVos refuses to provide relief to defrauded students, eliminates consumer protections and higher education, and weakens safeguards to prevent low quality schools from receiving taxpayer money.

Mr. Speaker, that is why I was proud to vote for and help pass H.J. Res. 76 to overturn Secretary DeVos' anti-student rule, and I urge prompt action by the full Senate.

ADDRESSING SUICIDE PREVENTION

(Mr. STEWART asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. STEWART. Mr. Speaker, I rise to speak about the Suicide Prevention Act.

I read this statistic on the House floor before, but it bears repeating: every 9 minutes someone in the United States commits suicide. And for every suicide-related death, there are 25 attempts. These are truly heartbreaking statistics, and they hit close to home.

I have met with the family and friends of those who have taken their own life. I have heard their stories and I am responding to their pleas for help.

This bill is part of a longstanding commitment to reverse this troubling trend. It is bipartisan, it is bicameral, and it would provide for new resources to turn the tide on this dire situation.

Part of the problem when it comes to effectively addressing suicide is that medical and other professionals have outdated resources and stale data. The current data collection efforts regarding suicide are often years out of date, and this limits the ability of State and local health organizations, as well as community organizations, to recognize the trends early and intervene.

Mr. Speaker, I am asking my colleagues here in the House and the Senate to respond to those who are crying for help. This legislation makes so much sense, we should make it a priority.

SKYROCKETING PRESCRIPTION DRUG COSTS

(Ms. CRAIG asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. CRAIG. Mr. Speaker, 1 year ago I started a healthcare listening tour across Minnesota's Second Congressional District. Whether it is Wabasha or Burnsville, the issue is the same.

The cost of lifesaving prescription drugs is skyrocketing. Over the past 2
